Profile Summary

Dynamic and results-driven SDET / QA Automation Engineer with 3.5 years of experience in automation and manual testing. Proficient in Java, Selenium WebDriver, API Testing (Postman), and SQL, with hands-on expertise in TestNG, BDD Cucumber, and Page Object Model (POM) frameworks. Skilled in building scalable automation frameworks and executing end-to-end testing across multiple domains (Manufacturing, CRM). Experienced in Agile/Scrum environments, CI/CD integration (Jenkins, Git), and defect tracking using JIRA. Consistently delivers high-quality, stable applications by reducing manual effort and improving test coverage.

Core Skills

- Automation: Selenium WebDriver, TestNG, BDD Cucumber, POM
- Programming: Core Java (OOPs, Collections, Exception Handling, File Handling)
- API Testing: Postman, REST Automation
- Database: SQL (CRUD, Joins, Stored Procedures, Data Validation)
- CI/CD / Tools: JIRA, Azure DevOps, Jenkins, Git
- Manual QA: Functional, Regression, Smoke, Re-Testing, Black Box Testing
- Agile: SDLC/STLC, Scrum, Agile Ceremonies
- Other: Test planning, case design, defect reporting

Professional Experience

Infosys Limited | Software Test Engineer

Feb 2022 – Present | Pune

Client 1: BASF (Manufacturing – Chemicals / Paints & Coatings)

- Designed and executed manual and automated test cases for core applications.
- Developed automation scripts using Java, Selenium, and POM, enhancing test efficiency.
- Performed Functional, Regression, and Cross-Browser Testing across multiple environments.
- Collaborated with developers and BAs to ensure requirement clarity and defect prevention.

Client 2: Wesco (CRM Domain)

- Designed and implemented a TestNG framework with WebDriver for regression suites.
- Conducted Functional, Regression, Smoke Testing to ensure application stability.
- Improved test coverage and identified critical production defects, enhancing release quality.
- Actively participated in Agile ceremonies (Daily Scrum, Sprint Planning, Retrospectives).

Education

B.E. in Electrical Engineering – Sandip Institute of Engineering & Management, Nashik | 2020

Diploma in Electrical Engineering – K.B.P Polytechnic, Kopargaon | 2017

Certifications

- Infosys Global Agile Developer Certification
- Infosys Certified Selenium Advanced Automation Tester
- Infosys Certified BDD Cucumber Automation Tester
- Infosys Certified Java Programming Fundamentals
